About The Author

Hafezah Hussein (Dr. Nur Hafezah Hussein) is a living being walking the earth. She is an English lecturer by profession, and currently working at the Faculty of Language Studies and Human Development, Universiti Malaysia Kelantan. She's graduated in the field of English language and literature, TeSL and Sociolinguistics, and thus far has been doing works and stuff related to these areas. If not working, she enjoys sleeping till noon, scrolling Tik-Tok, instagram and shopee live, drawing, spending time alone or doing absolutely nothing (she's not anti-social, just a pro-me believer). She is obsessed with cat-eye eyeglasses, monochrome, crime-investigation themed series, and psychoanalysis genre novel. She aims to live simply, be content, and not gain weight.
