## Preface

All praises to Al-Mighty God for the strengths and His blessing in making 2<sup>nd</sup> International Conference on Economics, Business, Management and Engineering 2022 (ICEBME2022) a success.

The conference held on 21 May 2022 in Kuala Lumpur, Malaysia. The main objective of ICEBME2022 is to provide a platform for researchers, professionals, scholars and academicians to exchange and share their knowledge, information, new ideas and experience in person with their peers expected to join from different parts on the world.

This gathering will help the delegates to establish research or business relations as well as to find international linkage for future collaborations in their career path. We hope that ICEBME2022 outcome will lead to significant contributions to the knowledge base in these up-to-date scientific fields in scope. In addition, this conference will also offer opportunities for academicians, researchers, engineers, economist, entrepreneurs, journalist, and industry experts to meet and interact with local and international participants.

We would like to thank the organization staff, the members of the program committees and reviewers. They have worked very hard in reviewing papers and making valuable suggestions for the authors to improve their work. We also would like to express our gratitude to the external reviewers, for providing extra help in the review process, and the authors for contributing their research result to the conference. Finally, we would like to thanks all the conference team members for their constant support and countless time to complete the accepted papers into proceeding volume.
